Football Billiards

Generates significant revenue

Combine football and billiards and you get the unique sport: Football billiards. Perfect for friends, families and at events!

Football billiards is played on an oversized billiard table (4.00 m x 7.18 m) with specially designed footballs that look like real billiard balls. The set contains seven balls with colored stripes, seven that are completely colored, a black No. 8 and a white ball.

The football billiards are delivered in prefabricated sections that you can easily assemble together into a game-ready facility. The sections are easy to carry and handle for two people. Mounting takes place on a hardened draining surface.

Please note that the customer is responsible for unloading the goods. All our prices include VAT and shipping costs. Payment terms are 30% on orders and 70% on delivery.
